February 2015.

**To: All Member Associations
European Ostomy Association.**

RE: Annual dues for 2015.

Enclosed is the annual dues invoice for the year 2015 for your association.

The amount of dues owing for the year 2015 is based on the number of individual members in your association as reported to us for the year 2014 or earlier. **If this estimate is incorrect** please advise us immediately and we will arrange a revised billing to correctly reflect actual membership and, consequently, revised dues owing. Please make your payment as soon as possible.

Below you can see how the dues are calculated. If an organization has 500 or less members its dues are 180 CHF and so on.

Members :	0-500	180 CHF
	501-1.000	350 CHF
	1.001-2.500	650 CHF
	2.501-5.000	1.000 CHF
	5.001-7.500	1.500 CHF
	7.501-10.000	2.000 CHF
	10.000-12.500	2.500 CHF
	12.501-15.000	3.000 CHF

As in the past we would request that payment be made in Swiss Francs only and that the preferred method of payment is to remit directly to our account with Credit Suisse in Basel. Full and complete details to do this are provided on the invoice.

We greatly appreciate your continued support of our organization and of your assistance in our mutual interests in EOA. Please keep in mind that the more organizations pay the annual dues the stronger EOA gets and will be better able to do more for its members.

Best wishes and many thanks.

Jon Thorkelsson, treasurer.
