Welcome to SIIL Ostomy Line

Welcome to SIIL Ostomy Line.

We are a Spanish company **specialized** in **fashion and accessories** for people with an **ostomy**.

Our project was born with the desire to improve the daily life of all those people of all those people who for any reason in their life have been circumstances in their lives have been **ostomized**.

All collections are **designed** and manufactured with carefully **selected materials** and fabrics to fit your **silhouette and your stoma**, providing the **flexibility** and **security** you need to make you feel **comfortable**.

In the creation process of our collections we involve **ostomate people**, sharing ideas and needs, in order to ideas and needs, in order to make our garments feel like your second skin.

We design with enthusiasm and commitment to handcraft each garment, paying **special attention** to every detail, every stitching, every detail, every seam and every finish of **our collections**.

All our products are compatible with **Coloplast, Hollister, Convatec, Braun and Welland**.

We want to start our adventure together with you enthusiasm, joy and optimism.

SIIL Ostomy, the way of life you deserve.

GUÍA DE TALLAS

Woman

All sizes of **SIIL Ostomy** are equivalent to **your usual clothing size**.

The garments are designed to fit your body without **compressing** your **stoma**. When selecting your size, keep in mind that the garments are elastic.

If you like to wear looser fitting garments, we suggest you choose a size above your size above yours, keeping in mind that the waist waist will have a softer fit to your body.

Feel SIIL!
